THE ULTIMATE INDULGENCE

Aqua Mekong

Travelling by water has a certain romantic appeal in an era where effectively getting from one city to the next involves taking off from one tarmac and landing on another. The slowness of meandering along water paths on a cruiser entails not only the luxury of affording such an experience, but the privilege of having time to spare and spend on an extended voyage.

Aboard a luxurious vessel, journey along the Mekong River

in Cambodia and Vietnam with a unique programme designed by boutique river cruise veteran Aqua Expeditions. The Aqua Mekong brings all of the cosy comforts from land to water; everything from spa and gym to a pool and lounge bar can be found on board. The river escapade begins from Siem Riep to My Tho, near Saigon, stopping in Phnom Penh along the way.
