Amazon adventure

Aqua Expeditions will launch the 62-metre Aqua Nera for whole-boat charter on the Peruvian Amazon in November. Explore the Pacaya-Samiria National Reserve then dive in the plunge pool before settling down to Amazonian dishes by chef Pedro Miguel Schiaffino.
From £167,540 for 40 guests for four nights. aquaexpeditions.com

A taste of heaven

The doors have opened at Arcadia, the 40-seat poolside restaurant at Saint-Tropez’s Hôtel Byblos. Executive chef Rocco Seminara has created a menu centred around aromas and flavours inspired by the Mediterranean. byblos.com

Wrap it up

When the temperature on the aft deck drops, keep cosy in one of Shakù’s irresistibly soft scarves. Mumbai-born Shakera Tayub’s love of the natural world in India and the British countryside informs her designs, which are made in Italy’s “City of Silk”, Como, from the finest silk threads and printed with premium non-toxic dyes. We love the floral stole (left). £350, shaku.co.uk

Clear conscience

SLO Active’s sustainable women’s swimwear uses plant-based Yulex instead of non-biodegradable neoprene, reducing manufacturing CO₂ emissions by 70 per cent. Also, for every piece bought, SLO will donate to an ocean charity partner and plant a mangrove tree to offset carbon and help prevent coastal erosion. sloactive.com
